Good Morning Committee,

Thank you for your support with moving these proposed forms through the procedural review process for approval. We just completed 1st reading with a few small revisions surrounding the distinction between the terms "foreign" and "state". Please review the attached for your reference, if you missed the discussion.

Next steps…

1. Collaborate with the Family Law Section's forms subcommittee to draft instructions.
2. Schedule another subcommittee meeting to recommend a proposed final draft (including instructions).
3. Present a final draft to the full FLRC for approval.
