Resources

Bar Leader Weekly

This at-a-glance newsletter helps busy bar leaders stay up to date with the latest in bar association news and key issues in the legal profession.

Bar Leader Magazine

This bi-monthly online news magazine covers key issues and trends relevant to bar leaders as well as in-depth stories on bar management, programming, leadership, and technology. Articles are intended to generate ideas readers can apply at their own bars.

Bar Leadership Institute

The BLI provides presidents-elect or other presidential-track officers with techniques and skills essential to effective bar leadership. The program features plenary sessions, group discussions, and workshops on every aspect of bar management and leadership. The BLI offers an open atmosphere for expressing ideas, gathering opinions, and networking with fellow bar leaders. The 2017 BLI is scheduled for March 15-17 in Chicago.

Bar School: Affordable Continuing Education for Bar Association Staff and Leaders

This monthly webinar series focuses on topics of interest to the bar association community including updates on issues of concern to bar associations and the legal profession, trends, technology training and tips, and leadership and governance. The new BAR ESSENTIALS series, presented every other month, provides an effective onboarding program for new staff as well as refreshers for more seasoned staff with topics such as customer service and effective meetings. For more information and the program schedule, visit www.ambar.org/BarSchool. Detailed information is available at www.ambar.org/barservices

Online Resource Pages

These topical resource pages provide quick answers to pressing questions. From social media to Form 990 to the future of the legal profession, these pages link you to information of interest to the organized bar community. Gain access to this information at ambar.org/BarResources.
