

# Benchmarks: Raising the Bar on Adult Civic Education

"Benchmarks: Raising the Bar on Civics Education" offers attorneys and judges activities they can use when they are invited to speak to adult civic and community groups. Increasing public awareness of how the government and courts work is a critical mission for The Florida Bar Constitutional Judiciary Committee. An informed public is the best defense of the rule of law and a fair and impartial judiciary. Benchmarks activities are available online, grouped in three categories:

- Constitution and the Bill of Rights
- Courts and the Judicial Branch
- And Special Topics

Attorneys who become trained in Benchmarks — by watching the webinar or attending a seminar - are eligible to earn CLE credits. Sign up with the Speakers Bureau to learn about presentation opportunities. To order free Constitution pamphlets for your presentation in Florida, call (850) 561-5834.
